WSC Outreach Plan Update

Updating to our communications system includes updating our website to reflect current and upcoming events, opportunities and relevant information worthy of sharing with visitors to the site.

In addition to the online services, we are updating our service catalog which contains our training and work shop offerings.

We are improving and scrutinizing our links to other pertinent organizations and links.

We are including 2 focus areas this year: Trafficking to include prostitution and sexual coercion and trauma based interventions for Native people.

Memberships are on an annual basis and ensure consultation and technical assistance focus on your program development needs.
